

4th/5th/6th Grade Rules

- 4th, 5th and 6th grade game rules will align with National Federation of High Schools regulations. NFHS basketball rules are extensive, and can be found on the NFHS website. <https://www.nfhs.org/activities-sports/basketball/>
- Rule books can be purchased online.
- A 28.5 Intermediate basketball is used.
- Games will have a 20 minute running clock with the last two minutes of each half using a "stopped clock" format. Stopped clock format is the same as high school basketball.
- If the score is tied at the end of regulation time, a "sudden death" format will be used. After a jump ball, the first team to lead by one or more points will win the contest.
