

Practice Facility Use

Please remember that we are guests of the Vancouver School District. The following guidelines will help create a positive experience for all parties; please share with your player's and their families.

Coach Specific

It's good to take a picture of your contract on your cell phone so you have it with you each time (Bob will send this to you)

PLEASE CHECK AND RESPECT "NO USE" DATES. (Unfortunately, no use dates are occasionally added last minute. As guests, we need to accommodate those changes.)

Be on time! (not early, not late). (It will be helpful to make a mental note concerning when your custodian commonly unlocks the door.) Sometimes they have substitute janitors who may not realize you will be there.

General Rules

- There is NO SMOKING inside or outside School District buildings.
- No Food or drinks in the gym except water.
- If you use a chair, please put it back where you found it.
- Do not go into other parts of the building.
- Clean up after yourself. User will be charged \$46/hr for custodial time if cleanup is needed.
- Generally, the rule is: No School/No Practice. We will work out a time for a make-up practice if your practice date is on a holiday or "no use" date.
- Bad Weather Guidelines:
 - If school is closed for the day because of inclement weather – No practices or games that evening.
 - If students are sent home early – No practices or games that evening.
 - If school is on a "late start" – We probably will have practices. Of course, sudden weather changes may result in you needing to make a decision. Please use good judgment.

Disregarding School District requirements will result in cancellation of contract.
